

WE ARE THEIR *Last Hope*

Many homeless animals are malnourished; some have been neglected or even cruelly abused. NEAHS gives them the medical care and vaccinations they need.

We conduct community education, provide low cost spay/neuter programs for the public, have established a pet food bank for low-income citizens, assist law enforcement with animal cruelty investigations, and send animals on pet transports to loving homes in other parts of our country.

We've thought long and hard about how to maximize each dollar, and we've cut expenses in every possible way, but the cost of saving lives is higher than ever.

We know that your own pets are grateful for the love and care you give them. Now you can help unfortunate animals still looking for their forever home by including the Northeast Arkansas Humane Society in your estate planning. They can't speak for themselves, but if they could they'd say "Please Help Us!"
